

## Village of Peggy's Cove & Peggy's Cove Preservation Ar-

### Dear Landowners and Residents

The Peggy's Cove Commission would like to provide you with an update of our activities.

For the past two years the focus of the Commission has been to establish a process under which residents and land owners can undertake the development of their property.

In this capacity the Commission is proud to announce the launch of a website that specifically addresses many of the questions related to undertaking the development within the Peggy's Cove Preservation Area

The web address is: <https://pcc.novascotia.ca>

#### The Website Covers:

Development Information

Zoning, Bylaws and Permits

Frequently Asked Questions

Commission Meetings & Meeting Minutes

Application Form: Development Permit

Links to:

HRM Construction Permits

Other helpful resources

Please note: A Development Permit **must be obtained from the Commission** prior to the commencement of the development of any property located within the Peggy's Cove Preservation Area. Development related questions can be directed to:
